This is Space Hex (14SH4), which is an 8" hex with 1" smaller blue dividing hex
print this PDF file out on your home inkjet printer or go to your local copy
center to get a high resolution print. If you are using a laser printer, please
protect the surface, spray a clear coat sealer on it, or use
cold laminate protector sheets. For cheap or quick
play use a B/W laser printer and tape the paper
together. For more information about
this product, please email me at
